

FIRE INVESTIGATION ASSOCIATION OF ALBERTA FALL SEMINAR

NFPA 921 UPDATE & INVESTIGATIVE INTERVIEWING

September 6 – 8, 2017

Day 1 – NFPA 921 Update	08:30 – 17:00	September 6, 2017
<p>The detailed guide to fire investigations is an ever-changing environment. This document is peer reviewed and published every three years. The Global Leader in fire Investigations (IAAI) offers the most up to date training for the new edition; presented by members of the NFPA 921 Technical Committee.</p> <p>By understanding the changes affecting the investigations of fire and explosion scenes you will be better prepared to investigate, present and articulate your case and opinions</p>		
<p>Instructor – This class will be facilitated by an IAAI instructor who is a member of the NFPA 921 Technical Committee.</p>		

INCLUDED IN YOUR REGISTRATION FEE

FIAA will be providing morning coffee and pastries as well as a catered hot lunch for all 3 days.

<p>Day 2 – Investigative Interviewing September 7, 2017 08:30 – 17:00</p> <p>This one day investigative interviewing training program identifies core interviewing skills, a structured interviewing approach, and the building of a job-specific interview template. Identifying the most common interviewing mistakes and how to avoid them are also discussed.</p>	<p>Day 3 – Detecting Deception September 8, 2016 08:30 – 13:00</p> <p>This informative and entertaining half day training program highlights current research based approaches to detecting deception. Common myths and misconceptions about deception - which can negatively impact interviews and investigations - are also discussed.</p>
---	--

Instructor – John Tedeschini - Mr. Tedeschini has an extensive background in investigative interviewing - both as a practitioner and trainer. He currently works as a detective in a specialized interview team for a major Canadian police service. His prior assignments include Homicide Section, Polygraph Unit, Internal Affairs and Training Section where he developed and delivered investigative interview training programs. In addition to training police officers, he has conducted training sessions for the private sector and various government agencies. Mr. Tedeschini is a published author on investigative interviewing and has been an invited speaker at numerous international conferences.
