SCES Stn. 4 (Heartland Hall), is a short 15 minute drive from the hotel. Click on the “Google Maps” link for detailed directions.

FIAA encourages all members to obey the traffic safety laws at all times. To that end, we would like to provide you with a gentle reminder to monitor your speed while travelling from your hotel to the course site. Doing so may prevent you from receiving a “souvenir photo” in the mail from automated traffic enforcement.
